Cemetery Retaining Wall - Discussed getting bids for the next meeting to replace the retaining wall by Block 35. Discussed that looking at who owns the lots there would be no chance of finding any relations that could possibly help with project.

Survey – Gerry Meade brought to the Cemetery Board the notion of having the Old Cemetery Surveyed. It was brought to him by the Mayor that was responding to the request of Bill Gilbert. After lengthy discussion, it was decided there was not enough value to the cemetery to spend the money on a survey. Roger Oliver made a motion to take no action on the survey and Jeanine Ingalls seconded.

Damage to Vase – The Logan's brought in a receipt of \$90.95 and were very happy with our help in fixing this issue.

Cemetery Managers Update, Update- Kristie Guardia let the board know of the problem that occurred with the transfer of the Baby Downey remains. After being told that the remains were found, and then finding that they were not in that space, it was decided that the remains could not be moved. The family was very upset as was the Funeral Home as a lot of money and time was put out to get the remains moved to Cordova with other family members.

Gallery Comments, Other Items – Discussed moving the meeting times to 1 p.m. in June on a trial basis. There will be no meeting in July, and if needed a meeting beginning of August if needed.

Adjourn, Roger Oliver made a motion to adjourn, Gerry Meade seconded. Meeting adjourned at 2:36 p.m.
